

KUDELSKI SECURITY COOPERATES WITH ZURICH INSURANCE GROUP TO OFFER CYBER SECURITY SERVICES

Cheseaux, Switzerland, August 19th, 2013 - Kudelski Security, the cyber security division of the Kudelski Group (SIX: KUD.S), has been selected by Zurich Insurance Group (Zurich), one of the world's leading insurance groups, as one of their cyber security specialists for the support of an innovative cyber insurance product addressing the needs of companies to help protect themselves against new cyber threats.

"Kudelski Security goes beyond a pure technology security offering by combining more than 20 years of technological know-how with legal expertise, compliance, field investigation and crisis communication," said Christophe Nicolas, SVP Kudelski Security. "We are honored to team up with Zurich to offer its clients a new range of solutions such as cyber risk assessments and consulting, as well as an alert response team."

"We are very pleased to have agreed to a program of cooperation with Kudelski Security which has a great expertise in security and a global footprint," said Lori Bailey, Global Chief Underwriting Officer – Professional Liability at Zurich.

The cooperation combines Kudelski's technological expertise with Zurich's risk protection experience to deliver innovative services that will benefit clients of both companies.

About Kudelski Security

Kudelski Security, a division of the Kudelski Group, is an innovative independent Swiss provider of tailored cyber security solutions and services to enterprises, financial institutions, government administrations and the media industry. Its team of cyber security professionals boasts extensive expertise in the delivery of end-to-end digital security solutions built upon real-life experiences in advanced threat detection, security assessments, asset and reputation protection, as well as piracy risk mitigation.
